Epoxy.com Product #1
100% Solids Hi-Build Epoxy Coating

GENERAL DESCRIPTION

Product #1 a two component, 100% solids epoxy Hi-Build epoxy coating used for high foot traffic and light to moderate forklift traffic areas where abrasion resistance is required; for protection against mild corrosion and as a decorative waterproof coating for walls, floors, tanks, etc. It can be broadcast with appropriate silica sand (contact Epoxy.com Technical Support for a recommendation), to create a thicker flooring system in high abrasion situations.

ADVANTAGES

- Moisture Insensitive
- Ceramic like finish
- Sprayable Solvent
- Free Waterproof
- Extremely Durable
- Chemical Resistant

SURFACE PREPARATION

Surface must be clean and sound. Remove all dirt, laitance, grease curing compounds and other foreign matter by sandblasting, or mechanical abrasion. Remove water and dust from all surfaces with an oil free blast immediately prior to application. See Epoxy.com Surface Preparation Guide for more details.

MIXING INSTRUCTIONS

Temperature of Epoxy.com Product #1 must be 50 degrees F or above at time of mixing. Stir each component separately before blending. Mix two parts by volume of Part A with one part by volume of Part B for three minutes with a low speed electric drill motor equipped with a mixing paddle.

APPLICATION

Over Concrete surfaces Epoxy.com Product #899 Primer is recommended. Then apply Product #1 with a roller, brush, or spray equipment. Two coats are recommended. Thickness per coat should be 7-10 mils. Seven days cure time is required to reach maximum chemical resistance. For more information before installing please see installation tips at https://www.epoxy.com/install.htm.

LIMITATIONS

DO NOT apply at temperatures below 40 degrees F. Surface must be dry.

SAFETY PRECAUTIONS

Prolonged or repeated exposure may cause eye and skin irritation. If contact occurs, wash immediately and seek medical help. Use safety glasses with side shields and wear protective rubber gloves.
CLEANING

All tools and equipment should be cleaned before the system gels. Use MEK, Acetone, or any lacquer solvent

All products proven to be defective in manufacture will be replaced at no charge. Since the use of these products is beyond the control of Epoxy Systems, Inc. ("Epoxy.com") we cannot assume any risk or liability for results obtained, nor can we accept damages in excess of the purchase price of these products. Epoxy.com's warranty applies to products (when properly stored) for the period of time as follows (unless otherwise noted on a specific product's Technical Data Sheet): Epoxyes, one (1) year; Polyesters, Methyl Methacrylates and Polyurethanes Three (3) months; Power Tools and Equipment 30 days; Vinyl Esters and all other resins (not specifically mentioned above) 60 days. Epoxy.com warrants that its products will be free of manufacturing defects when handled, stored, mixed and applied in accordance with recommendations of Epoxy.com. If any product fails to meet this warranty, the liability of Epoxy.com will be limited to replacement of any non-conforming material if proof of such non-conformity is given to Epoxy.com within the warranty period for the material (as indicated above), or within 1 year of the delivery of materials (whichever is sooner). Epoxy.com may in its discretion refund the price received by Epoxy.com in lieu of replacing the material. No customer, distributor, or representative of Epoxy.com is authorized to change or modify the published specifications of this warranty in any way. No one is authorized to make oral warranties on behalf of Epoxy.com. In order to obtain replacement or refund the customer must provide written notice containing full details of the non-conformity. Epoxy.com reserves the right to inspect the non-conforming material prior to replacement. EXCEPT FOR THE EXPRESSED WARRANTY STATED ABOVE, THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE. Epoxy.com's OBLIGATION SHALL NOT EXTEND BEYOND THE OBLIGATIONS EXPRESSLY UNDERTAKEN ABOVE AND Epoxy.com SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO THE PURCHASER OR ANY THIRD PARTY FOR ANY LOSS, COST, EXPENSE, DAMAGE OR LIABILITY, WHETHER DIRECT OR INDIRECT, OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
